ROBINSON MUÑETÓN JARAMILLO

Student - Holberton

About Me

Hi, I'm Robinson Muñetón Jaramillo I am a self-taught and passionate programmer who is dedicated to finding innovative solutions to the most complex programming challenges. I have a strong commitment to my work and the success of the team. I am a strong and adaptable collaborator who is capable of working in a team and creating a positive and productive work environment. I am excited for the opportunity to apply my experience and skills as part of a team committed to excellence in software development.
